Legend

Denotes Airfield Destination on Lone Pine Fly-In List

Private Strips

Conditional – Denotes access is permissible with correct intents. Likely means airfield is associated with a business. Access is assuming you are there to visit their business. See LPFI Airfield Guide for details.

PPR – Denotes Prior Permission Required. Must coordinate with owner beforehand. Some Group Leads may be able to take their groups to these destinations. Do not land without permission.

Not For Navigation

- Use current published charts for navigation
- Airfield data is advisory only. PIC has final discretion on suitability of airfield for use.
